Dear Prospective Sponsors,

Thank you for your interest in contributing to the annual Myers Park DECA charity golf event. This year we are committed to educating our school and community about the importance of mental health awareness. This year's tournament will be played at Myers Park Country Club on November 3rd, 2021.

All event proceeds from the "Chip in for Mental Health" will benefit the Alexander Youth Network of Charlotte. The foundation focuses on providing quality professional treatment to children with serious emotional and behavioral problems. They deliver an effective and efficient array of services, enabling children and their families to exercise self-determination, achieve their potential, and become positive contributors to society. Any donation is appreciated as Alexander Youth Network serves around 10,000 children in North Carolina each year.

If you are unable to accept any of these sponsorship offers, we encourage you to visit the Alexander Youth Network website at <https://www.alexanderyouthnetwork.org> for more information about how you can help the non-profit organization. Alexander Youth Network holds a series of food drives, volunteer opportunities, and events to celebrate the children's progress. Your attendance at these events would be greatly appreciated and not overlooked.

In the midst of a pandemic, many youths are struggling from mental health issues, and your association and donation toward this cause displays your business cares about mental health as a whole. Alexander Youth Network relies heavily on donations to fund their treatment options for behaviorally challenged youth. The opportunity for your business to be associated with the Alexander Youth Network is rewarding and beneficial to all.

We thank you for your consideration and we believe that a partnership between your company and the Alexander Youth Foundation will be truly valuable. For complete details, please visit [www.mpcharitygolf.com](http://www.mpcharitygolf.com).
